

Baby Dreamland Portraits Studio

寶寶肖像夢工場

Picture perfect

Not only are professionally shot photos of your baby or toddler a precious memory, modern technology can transform them into a beautifully bound coffee table-style book or a mounted work of art.

Baby Dreamland Portraits Studio, backed by photographers with more than a decade of portrait experience, will help capture treasured moments for your family to share. Families will feel at ease in their expansive 4,000 square foot studio, which holds a treasure trove of toys to keep little ones amused during the shoot.

The experienced staff expertly put your infant or toddler at ease. Here is what one customer, Helene Yip, has to say:

"Indeed, the results did not disappoint us. The photos were nice, each one holding a beautiful memory for us, our friends and relatives also admired them. We also had the photos printed in pocket-sized calendars as gifts for family and friends. Having the photos in our purses or on our desks is special. Baby Dreamland is absolutely the right choice for our family portraits."

Baby Dreamland Portraits Studio also does not require prepayment of a package when making the photographic session appointment.

Baby Dreamland Portraits Studio marketing manager Serina Wong says, "Unlike other studios in Hong Kong, we only take a deposit after the client has reviewed the photo proofs. This means they are under no pressure."

There are a range of packages to choose from to suit every budget starting at just \$388 to \$2,828. For the deluxe package you will take home your very own exquisite coffee table-style hand-made photo album. As a special bonus for every package the client keeps the digital file

of the poses selected and paid for, allowing them to reprint as many of these images as desired.

Don't let another magic moment pass you by - make an appointment now! ■

專業攝影，記錄嬰兒與幼童年代的珍貴回憶；而現代科技，更能將一幀幀照片，變身咖啡桌上釘裝美觀的小冊子；又或是滿載藝術色彩的相簿。

Baby Dreamland 肖像攝影室，由多位具十多年專業經驗的攝影師，作中流砥柱，捕捉真摯的全家福，讓成員分享愉快的記憶。攝影室面積達四千呎，所有光臨拍攝全家福的家庭，都會感到輕鬆舒適，裡面有珍貴的玩具寶藏，讓寶寶在拍攝時，投進快樂的遊玩氣氛中。

經驗豐富的職員，能協助你的嬰兒或幼童，消除緊張的感覺。「果然，當看到作品時，確沒叫我們失望。一張張照片，把美麗回憶再度呈現眼前，身旁的親戚朋友無不讚好。後來，我們還把照片印成口袋般大小的年曆卡，廣送親友，他們有的珍而重之放在銀包裡；有的貼在工作桌上時刻對望。我們實在覺得，當初到Baby Dreamland 拍攝的決定很正確。」顧客Helene Yip說。

另外，Baby Dreamland 肖像攝影室，在預約拍攝時，無須預繳費用。Baby Dreamland 肖像攝影室市場經理Serina Wong說：「我們與香港其他攝影室不同，我們只在顧客閱覽照片後，才收取訂金。這亦即是說，不會對顧客構成任何壓力。」

他們安排一系列的拍攝服務配套，收費由\$388元至\$2,828元不等，豐儉由人。選擇豪華拍攝配套服務的顧客，可以將精美的咖啡桌式手製相簿，帶返家中。為了對顧客提供特別優惠，無論選擇任何服務配套計劃，所有經挑選和支付服務費的相片，顧客均可保存數碼檔案，隨時再編印需要的照片數目。

別讓另一個奇妙的時刻，在身邊溜走——現在預約吧！■
